Eric Le Vin

Le Vin Winery was founded in 1983 by Eric and his father Bernard Le Vin. They received a Gold Medal at the Sonoma County Harvest Fair for their 1985 Cabernet Sauvignon. In 1993 Eric & Holly Harman Le Vin bought their 164 acre mountain ranch in Yorkville Highlands, and planted 16 acres of vineyards, consisting of Syrah, Cabernet Sauvignon, Merlot, & Cabernet Franc, and established Organic Certification. They planted 125 Redwood trees, many different types of citrus and other fruit trees, and 300 olive trees. They make a delicious Extra Virgin Olive Oil from hand picked organic olives, pressed by monks. The Le Vin Mountain Vineyards rise up 1,550 to 1,900 feet above sea level, close to the sun and above the fog, which results in the intensely delicious grapes that have made the Le Vin wines so loved and sought after. The Le Vin wines received gold medals in the San Francisco Chronicle Wine Competition and 92 point ratings in Wine Enthusiast. The beautiful woman holding grapes, or olives in her hand on the Le Vin labels, was illustrated by Stephen Haines Hall. The magnificent views from Le Vin Winery extend over 7 mountain ranges to Anderson Valley, Alexander Valley, Dry Creek, and beyond. The Le Vin wines are grown, vinted & bottled at Le Vin Estate Winery. Eric's son, Jesse Hall Le Vin, is head viticulturist and enologist. Emma Kudritzki, the winemaker, has worked for Carmenet, Ferrari Carano, Gallo of Sonoma, and in New Zealand. Holly Harman Le Vin designs wine labels for clients around the world. Visit her website at WineLabelDesign.com. Holly's father, Art Clokey is the creator of Gumby, Pokey, & Pals. Holly is the voice of Minga, Gumby's sister. Holly art directs the Gumby animated cartoons.
