Robert & Linda Klein

Ninety miles north of San Francisco, at the junction of the beautiful Alexander and Anderson Valleys, you will find the Yorkville Highlands, our home, bed & breakfast, our vineyard and farm.

We are situated on twenty-one rolling acres. The Victorian style house overlooks our pond, the Sanel Mountains, and our vineyard.

Enjoy intimate lodging, with a country breakfast. Large suites each have a sitting room and bedroom, with queen size bed, private bath with whirlpool tub, and separate shower.

Feed our animals, which include llamas, Shetland sheep, pony, chickens, and our dogs and cats.

Wildlife frequent our area! You may see wild turkey, pigs, coastal black tail deer, coyote, and the usual raccoon, skunk and possum. Bird watchers will be rewarded with many varieties indigenous only to the area.
