GROWERS & VINTNERS ASSOCIATION

Le Vin Winery was founded in 1983 by Eric Levin and his father, Bernard Levin. Four generations of organic wine growing. Le Vin is the oldest existing family Estate Winery in Yorkville Highlands appellation. They received a Gold Medal at the Sonoma County Harvest Fair for their 1985 Cabernet Sauvignon. In 1993 Eric & Holly Harman Levin purchased their 164 acre mountain ranch in Yorkville Highlands, and planted 14 acres of organic vineyards, consisting of Cabernet Sauvignon, Merlot, Cabernet Franc, Sauvignon Musque, Syrah, Grenache, Mourvedre, Petite Syrah, and Zinfandel. They planted 425 Redwood trees, many different types of citrus and other fruit trees, and 300 olive trees. They make a delicious Extra Virgin Olive Oil from hand picked organic olives, pressed by monks. The Le Vin Mountain Vineyards rise up 1,550 to 1,900 feet above sea level, closer to the sun and above the fog, which results in the intensely delicious grapes that have made the Le Vin wines so loved and sought after. The Le Vin wines received gold medals in the San Francisco Chronicle Wine Competition and 92 point ratings in the Wine Enthusiast. The beautiful woman holding the grapes, or olives in her hand on the Le Vin labels, was illustrated by Stephen Haines Hall, well known wine poster and label artist. The magnificent views from Le Vin Winery extend over 7 mountain ranges to Anderson Valley, Alexander Valley, Dry Creek, and beyond. The Le Vin wines are grown, vinted & bottled at Le Vin Estate Winery. Eric Levin is the winemaker with the help of his son, Jesse Hall Levin, who has degrees in Enology and Viticulture. When not tasting the Le Vin wines he can be found in the vineyard on the tractor. Holly Harman Levin, is a graphic designer and fine artist who designs wine labels and specialty labels for clients around the world. Visit her website at WineLabelDesign.com
