Dennis & Mary Lou Walsh

Imagine sunlight soaking the lush hillsides in warmth, rows of Pinot vines, heavy with delicate purple fruit, yellow dandelions and red clover underneath. Oak, madrone, and fir trees stand majestically, while wild boars and piglets romp and root in the forest and birds soar overhead. Deer and wild turkeys share the rolling meadows with the cows and sheep. In the distance our olive orchard, fruit trees, berry vines, and vegetable garden stand out against the golden summer grass; the perfect compliments to our delicious grapes.

Located in the picturesque Anderson Valley on 250 acres, the Walsh Vineyard is an ideal growing area for Pinot Noir grapes. With the rich heat of summer days followed by the cool, dense, evening fog, our Yorkville ranch is the perfect climate for this delicious variety.

As we continue to grow, you can expect great things to come from Walsh Vineyards.
